

SUBMISSION INFORMATION

Authors are invited to submit abstracts (one page). The abstracts will be published and included in the Conference materials.

The work will be organized in plenary sessions and in sections. All papers will be published in the Proceedings of the Conference.

Both abstracts and papers are preferred to be submitted as e-mail attachments and as doc or rtf files to the following e-mail:
bystrova@goi.kolasc.net.ru

The name of the file should be given the same as the first author's surname (e.g. Jones.doc or Jones.pdf).

The paper should include:
author's info including affiliations, address, e-mail.
The text should be A4, in Times New Roman font, size 12 point, paper margins must be equal to 25 mm on both sides and equal on the top and bottom. The text is justified throughout, with one and a half line spacing, indent - 10 mm. The paper must not exceed 7-8 pages in length.
All the figures and formulae must fit within the text area and, if possible, to be submitted as separate tif, jpg or bmp files.

The paper can be submitted on arrival to the conference.

TIME AND VENUE

The International Conference
"Mining & Monitoring: natural and mining-induced
processes" will take place 24-27 September 2013

**It is organized by the Mining Institute, Geosciences
Department of RAS, Scientific Council on
Problems of Mining Science of RAS with assistance
of Russian Fundamental Research Fund,
Rostekhnadzor, Government of Murmansk region
and largest mining enterprises.**

WELCOME ADDRESS

Dear Colleagues,
Organizing Committee invites you to the
International Conference
"Mining & Monitoring: natural and mining-induced
processes" in Apatity, Murmansk region, Russia!

The conference will discuss the challenges related to
monitoring of rock mechanical state, technological
processes during mining, geocological state of
industrially-disturbed areas to provide safe and
effective mining.

MAIN TOPICS:

- Geomechanic monitoring of geological environment
of natural-engineering systems
- Monitoring of technological processes
- Geocological monitoring

IMPORTANT DATES:

Submission of abstract: **30 April 2013**
Registration fee: **30 June 2013**
Invitations and conference program: **August 2013**
Registration: **23 September 2013**
